Hello Dave -

I will be your contact point on this issue.

Background Patent:

>From a quick review of the re-issue of the background patent 6036226, in  
our  
opinion,

(Marek is in Germany and I will get a hold of him when he  
returns next week).

Best regards,

Leslie

Amnon,

I have not heard from you with regard to your concerns regarding the  
re-issue of the background patents. I understand your busy schedule but  
would like to put this behind us. Please advise.

Regards,  
Dave
